

Chinese Journal of Physiology

Statement of Informed Consent

I (we) the author(s) of manuscript CJP#XXXXXX, entitled _____, which is submitted to *The Chinese Journal of Physiology* (CJP) for consideration of publication, hereby certify that:

- The treatment of **human** subjects in this study is in accordance with the ethical standards of (responsible committee on human experimentation) **and** the Declaration of Helsinki, as revised in 2008.
- All experiments involving human subjects in the study have been approved by an appropriate institutional review board/ethic committee review board or equivalent. The full name of the committee and the reference number of approval must be included in the text of the manuscript.
- For all experiments involving human subjects in the study, informed consent **must** be obtained from all participants or legally authorized representative (their parents/guardian, in the case of children under 7 or unconscious participants) and the act must be included in the text of the manuscript. The form of informed consent should be included as well (written or oral).

Editorial Office of CJP reserves the rights to reject manuscripts suspected to have potential serious infringement of ethical principles, even if accepted.
