Faculty Position in Department of Life Science

Tunghai University, TAIWAN

The Department of Life Science at the Tunghai University invites applications for a faculty position at the Assistant/Associate/Full professor level starting Aug., 1, 2027. We seek outstanding applicants who address fundamental research questions in neuroscience, translation medicine and biomedical sciences. In addition to pursuing an internationally recognized research program, the successful candidate will be committed to excellence in the teaching of both undergraduate and graduate students. Applicants must have a PhD and preferably at least two years of postdoctoral experience.

Responsibilities include establishing and conducting an internationally competitive, externally funded, research program, teaching at the undergraduate and graduate levels, supervising graduate students and performing service duties for the department, university, and academic/scientific community.

Applicants should submit a single PDF file composed of: 1. cover letter; 2. CV; 3. a description of their research experience, interests, and proposed projects; and 4. a statement of their teaching experience, interests, and philosophy; 5. Transcripts for assistant professor. Also, applicants should arrange to have three letters of recommendation submitted on their behalf. Applicants from overseas are requested to submit their application materials electronically to: sw2842@thu.edu.tw. Alternatively, a hard copy of the application can be sent to:

Human Resources (人事室), Tunghai University,

No. 1727, Section 4, Taiwan Boulevard, Xitun District, Taichung City 407224, Taiwan

****Please indicate for faculty position in Life Science，並加註應徵生科系教職****

All application materials should be sent before Oct. 15, 2026

For information about the Department of Life Science, please visit website at <https://biology.thu.edu.tw/>
